**CINDY MORRIS, Priestess Astrologer**, has been an astrologer for many centuries. This lifetime she has foregone the beard. Cindy is the author of *Priestess Entrepreneur: Success is an Inside Job* and her provocative antic-filled blog, *Priestess Chronicles*. Her dream is to be the astrologer following the weather people on the evening news. She translates Astrologese into easy-to-understand, practical information and guidance.

In the 1970s a new level of astrological interpretation - Evolutionary Astrology - was channeled through Jeffrey Wolf Green. This fascinating interpretation of an astrological chart focuses on the influence of Pluto, the Nodal Axis, and what he refers to as "skipped steps." Cindy will introduce Evolutionary Astrology and give a heads-up on what's happening in the cosmos: what every Earth inhabitant needs to know. **KAREN RICE KING, Certified Healing Arts Practitioner, Master Dowser, and Ordained Minister**, has a double degree in Psychology and World Religion. Having taught courses in her field since the 1970s, she now directs a paid apprenticeship program in Dowsing and Earth Acupuncture. Karen is also a recognized teacher of Shamanic Practices and Healing. She practices remote healing, and sees clients in Lafayette, Boulder, and beyond.

In her presentation, Karen will talk about SOUL RETRIEVAL, lending some understanding to Soul Loss and how this process relates to the new Astrology. She will talk about ways to experience a Soul Retrieval, both in a more modern spiritual/psychic way, as well as the traditional Shamanic practices that our ancestors used. Karen currently teaches Soul Retrieval in her two-year, part-time residential program at Peaceful Valley Ranch. For more information, please see [karenriceking.com](http://karenriceking.com).
