As channeled by the Archangels, the BIMINI CRYSTAL will be activated on 12/12/12. On this trip, we will have the skilled crew of WildQuest teaching us how to become a human POD, and taking us out in their catamaran sailboat to swim in the clear blue waters with the Dolphins. (Fortunately, Bimini has been unaffected by the oil spill in the Gulf of Mexico.) In the morning and evening, classes will be available with Karen Rice King and David Alessi.

Both Karen and David have previously traveled with the WildQuest team. They have been exploring information about Atlantis, the Bimini Road, and Dolphins as Power Animals for many years.

Karen lends her abilities with shamanic studies as one of Sandra Ingerman's recognized teachers. On this trip, she will teach you how to do the indigenous practice of *Journeying*. You will be facilitated to meet DOLPHIN while resting comfortably in the yoga studio. This experience will enhance your adventures swimming with the dolphins during the day.

David will offer you methods of *Animal Communication* to create greater rapport with these amazing creatures in the water. He studied for 4 years at Psychic Horizons Center, Boulder, Colorado, and then served on staff for 4 years teaching Animal Communication and House Healing. He graduated from Karen's dowsing school and, in addition to assisting her with dowsing jobs, has his own practice.

**IMPORTANT TO NOTE:** Participants must pay by October 15, 2011, and only 16 guests will fill this trip. Karen is prepared to take credit card payments and issue contracts guaranteeing your money will be refunded if the trip is cancelled due to lack of participation. Other guarantees are covered with travel insurance, which WildQuest recommends.
