As channeled by the Archangels, the BIMINI CRYSTAL will be activated on 12/12/12. On this trip, we will have the skilled crew of WildQuest teaching us how to become a human POD, and taking us out in their catamaran sailboat to swim in the clear blue waters with the Dolphins. In the morning and evening, classes will be available with Karen Rice King.

Karen has previously traveled with the WildQuest team. She has been exploring information about Atlantis, the Bimini Road, and Dolphins as Power Animals for many years.

Karen lends her abilities with shamanic studies as one of Sandra Ingerman's recognized teachers. On this trip, she will teach you how to do the indigenous practice of *Journeying*. You will be facilitated to meet **DOLPHIN** as your Power Animal while resting comfortably in the yoga studio. This experience will enhance your adventures swimming with the dolphins during the day.

IMPORTANT NOTE: *Only 16 guests will fill this trip. Participants must pay \$849 by August 31, 2011, and \$850 by October 15, 2011. Karen is prepared to take credit card payments and issue contracts guaranteeing your money will be refunded if the trip is cancelled due to lack of participation. Other guarantees are covered with travel insurance, which WildQuest recommends.*
