Spring Forward, My Friends!

April, 2006

The new moon in Aries every year shows us, as farmers have practiced for centuries, it is time to plant new seeds! To do that, we need to clean out the debris and make ready our ground - ourselves.

Have **LONG DISTANCE CLEARING** done before your spring cleaning, painting or remodel. We remove "old energies" that are stray or stuck in the land and structure. Then, the jobs will go more smoothly, cost less and finish in a timely manner.

The **LONG DISTANCE CLEARING** is also a gift of your heart for someone you care deeply for! Dr. Samuel Sagan, M.D. in his book *Entity Possession: Feeling the Energy Body of Negative Influences*, concludes with his case studies that **DIS-EASE** is the result of "entities". Call me with any questions regarding this subject.

BACK BY POPULAR DEMAND, 25% OFF all work on properties.

What does this mean for you?

If you're local and you've wanted to know more about **EARTH ACUPUNCTURE** and you live within 30 minutes of my office, I will come test your property for **FREE** and consult with you about our options. There are different ways to heal your home and office.

EARTH ACUPUNCTURE as I learned from Slim SpurLing and Bill Reid, will remove the stresses from the power grid. It also mitigates the excesses of radar, microwaves, electrical transmitters, buried cable and the like. By creating a "**SAFE ZONE**" at your home and office, all sorts of physical complaints lessen and reverse. We have seen reports of cancer, HIV, allergies, chronic fatigue or insomnia being relieved or eliminated.

If you are planning some **landscaping**, did you know you'll have less pests in your garden? When planting those new shrubs and trees, we can collaborate our dowsing with your designer or Feng Shui practitioner in order to help you save money, yet complete your current dream of reviving your "outdoor space".

SELLING YOUR HOME OR KNOW A FRIEND OR NEIGHBOR WHO IS?

My records indicate an over 90% success rate of getting an acceptable offer within 30 days of our work together, provided your property is priced fairly for the market.
